Great to have you Darren I would be happy to act as a reference My only reason for marking down on tidyness is because cardboard packaging was sometimes left in the house at the end of the day. Price - I don't know really - seemed good to me

Your comments:

Darren supplied and installed my new kitchen in white gloss and quartz worktop. I am really pleased with it and absolutely love it. It is extremely well planned out, using every inch of space. My kitchen is quite small but has everything in it one could possibly want. Thank you Darren.
